

CANADIAN PACIFIC

In the course of the many public activities carried out in the past two years to discuss our **LES CÈDRES INTERMODAL COMPLEX** project, numerous questions have been raised regarding the processes used by the Commission de protection du territoire agricole du Québec (CPTAQ) and the Canadian Transportation Agency (CTA) in reviewing the project. Every time, we provided the information available at the time and undertook to give further details once the process begins.

Since the two agencies will soon undertake their review, we thought it would be appropriate to invite them to participate in a **PUBLIC INFORMATION SESSION** to explain their mandates and the steps involved in their respective processes.

When: **WEDNESDAY, JUNE 11, 2008 AT 7 P.M.**

Where: Salle des Bâtisseurs, **145 VALADE STREET, LES CÈDRES** (behind Les Cèdres' city hall)

I look forward to seeing you at this activity, and invite you to contact us for any additional information.
